Who is it For?

To be eligible for jobactive, you must receive income support payments such as Newstart, Youth Allowance or Parenting Payments and have mutual obligation requirements. If you meet these requirements, you can be referred to jobactive through Centrelink. If you don't meet these requirements, you may be able to join the program as a volunteer job seeker.

To find out whether you're eligible, visit your local Centrelink office or get in touch with us on the number below.

- Get help writing your resume, cover letter and application
- Find new job openings and opportunities
- Learn how to prepare for an interview and best present your skills and experience
