

## SEE: Skills for Education & Employment

The Skills for Education & Employment (SEE) program provides you with a pathway to further education or employment. You'll improve your skills in English language, literacy and numeracy. The SEE program also includes basic computer literacy skills. SEE is all about YOU: you choose your goals and we support you to achieve them in a way that suits you.

### Who is it For?

To be eligible for SEE, you need to be:

- Aged 15–64
