### TRANSITION TO WORK ELIGIBILITY

Participants must be:

- Aged 15–21
- An Australian citizen or hold a permanent visa, a New Zealand Special Category Visa or a Nominated Visa (including Temporary Protection Visa or Safe Haven Visa)

Eligibility also depends on a young person's circumstances, including whether they:

- Have completed Year 12 or been awarded a Certificate III
- Have been employed within the last six months
- Receive an income support payment such as Youth Allowance
- Are currently participating in another employment program such as jobactive

### ABOUT TRANSITION TO WORK

MTC Australia maintains strong links with local employers, service providers, schools and other education providers.

We connect employers with young employees, and provide support for at least the first six months after hiring to ensure a smooth transition.

We can also:

- Provide customised pre-employment training to participants to help them build skills that employers need
- Arrange work experience placements to assess a participant's suitability for a job
- Negotiate wage subsidies for employers

Partnering with MTC Australia and Transition to Work is available to all employers, education providers and service providers in Parramatta, Auburn, Merrylands and surrounding areas.

**Transition to Work offers one-on-one support from a dedicated youth coach to help early school leavers aged 15–21 find a job – and change their lives.**
